

# Academic Action Plan

Goal	Starting Point	Midterm	End of Term
Write out academic and at-home family goals. Be sure to keep them clear, achievable, and measurable!	Identify the starting point. Where are you now?	The Check-in. How's it going? Is everything on track? No? Time to fine tune and re-adjust!	How did it go? Were the goals reached? Gold Star! No? What could you have done differently?
